

Spelling Contract

Every week I'm required to earn 40 spelling points. The following is a list of spelling activities I may choose from. Each activity is assigned a certain point value. It is up to me to pick activities that I am interested in, that challenge me, and that add up to the required total. Each activity I complete should be sent back to school on Friday in my Homework Folder.

5 points	Clap and chant each spelling word.
	Create a riddle for five of your spelling words.
	Scramble the letters of your words and have a parent unscramble them.
10 points	Write each spelling word two times.
	Write your spelling words in ABC order.
	Write your spelling words with your favorite color crayon.
	Draw a picture of each of your spelling words.
	Write each spelling word in something fun like pudding, shaving cream, easy cheese, rice, etc.
	Write a song with at least 5 spelling words in it.
